

The diagram shows an oval-shaped sticker template. It features three concentric lines: a solid red line on the outermost edge, a dashed black line just inside it, and a dashed blue line further inward. Arrows point from text labels to these lines: a red arrow to the red line, a black arrow to the dashed black line, and a blue arrow to the dashed blue line.

bleed

Artwork that reaches the cutline needs to extend to the edge of the **red line**.

cut line

This is where your artwork will be trimmed.
(Finished size ordered)

safety

All text must be kept within the **blue line**

ARTWORK WITH BORDERS

Minimum border thickness must be 1/4 (0.25") thick plus the 1/8 (0.125") bleed for correct print ready artwork. Total border size from the bleed line is 3/8 (0.375"). Border example on the left.

2" x 3.5" Roll Sticker

Please delete this guideline before submitting your design to print.

Design Note: Do not rotate your artwork. The top of your artwork should be aligned with the top of the canvas. If you need to adjust the orientation of your sticker on the roll, please use the appropriate product options.
