

ARTWORK WITH BORDERS

Minimum border thickness must be 1/4 (0.25") thick plus the 1/8 (0.125") bleed for correct print ready artwork. Total border size from the bleed line is 3/8 (0.375"). Border example on the left.

*2' x 3'
Adhesive
Banner*

bleed

Artwork that reaches the cutline needs to extend to the edge of the 

cut line

This is where your artwork will be trimmed. (Finished size ordered) 

safety

All text must be kept within the blue line 

Please create and submit your file at 1200dpi.
1' = 1" in dimension.

Please delete this guideline before submitting your design to print.
